An esteemed Institute of RVS Group

RVS Group

Rathinavel Subramaniam Educational Trust (RVSET) is a premier educational trust with over 45 educational institutions offering technical and non technical education since 1983. With a thrust on skill enhancement through contemporary education, the RVS Educational Trust is changing the face of education in Tamil Nadu with its group institutions with an impressive list of graduates and post graduates in every field.

Today, after a momentous journey of almost three decades, the RVS group nurtures the nation's finest graduates who have distinguished themselves as industrialists, entrepreneurs, innovators, educationists, heads of prestigious organizations, practicing engineers; and even as sports persons and bureaucrats.

“Building an Intellectual Capital”

RVS Kumaran Arts and Science College

The establishment of RVS Kumaran Arts and Science College was the fulfilment of a long cherished dream of providing facilities for higher education to the rural people of the Dindigul district and surrounding regions. The main objective is to develop a college with a distinct identity and character, where education and training are imparted at global level. Every facility is provided in the campus to create an environment fully conducive to realizing this objective.

The RVS Kumaran Arts and Science College was established in the year 2016 by the RVS Educational trust with five courses namely B.A English Literature, B.B.A., B.Sc Information Technology, B.Sc Mathematics and B.Com Computer Applications. Now the college is having 26 UG programmes and 6 PG programmes with student strength of 1200.

DEPARTMENT OF COSTUME DESIGN AND FASHION TECHNOLOGY

Courses offered

1. B.Sc Costume Design and Fashion Technology
2. Diploma in Fashion Technology

The Department was established in the year 2020. The Fashion Technology program has played an influential role in the growth of the Indian fashion industry. The graduates of this department will have a remarkable presence in the Indian as well as global fashion scenarios. The curriculum hones a design sensitization that balances global fashion aesthetics with an Indian soul. It addresses the needs of the export market as well as both couture and pret-a-porter in India. Holistic inputs on generic design with focused approach towards apparel inculcates the ability to develop and channelize creativity. A logical, sequential hands-on experience enables students to conceptualize design, make patterns, drape and construct garments of impeccable quality.

Objectives of the Programme:

The program channelizes the creative skills of the students, gives proper direction to the creative quotient and communication skill to mold them into successful Fashion Designers.
