your **achievements** and
dreams turn into reality

An esteemed Institute of RVS Group

RVS Group

Rathinavel Subramaniam Educational Trust (RVSET) is a premier educational trust with over 45 educational institutions offering technical and non technical education since 1983. With a thrust on skill enhancement through contemporary education, the RVS Educational Trust is changing the face of education in Tamil Nadu with its group institutions with an impressive list of graduates and post graduates in every field.

Today, after a momentous journey of almost three decades, the RVS group nurtures the nation's finest graduates who have distinguished themselves as industrialists, entrepreneurs, innovators, educationists, heads of prestigious organizations, practicing engineers; and even as sports persons and bureaucrats.

"Building an Intellectual Capital"

RVS Kumaran Arts and Science College

The establishment of RVS Kumaran Arts and Science College was the fulfilment of a long cherished dream of providing facilities for higher education to the rural people of the Dindigul district and surrounding regions. The main objective is to develop a college with a distinct identity and character, where education and training are imparted at global level. Every facility is provided in the campus to create an environment fully conducive to realizing this objective.

The RVS Kumaran Arts and Science College was established in the year 2016 by the RVS Educational trust with five courses namely B.A English Literature, B.B.A., B.Sc Information Technology, B.Sc Mathematics and B.Com Computer Applications. Now the college is having 26 UG programmes and 6 PG programmes with student strength of 1200.

DEPARTMENT OF MATHEMATICS

Courses offered

1. B.Sc Mathematics
2. M.Sc Mathematics
3. Certificate Course in TEX and LATEX

The power of antiquity, the richness of its heritage, the pride of serving the cause of education, the nobility of its goal of uplifting the down-trodden and its unparalleled art of moulding clay into gold in academics touch make the Department of Mathematics a venerable monument in this great arena of academic adventures. The Department of Mathematics is one of the major departments in the college and has been in the forefront, providing quality education and training in the field. The department has been striving to achieve its objectives while providing a holistic learning environment to its students.

Objectives of the Programme:

To develop knowledge in basic Mathematics and Mathematical theories so that the students are able to develop skills which enable them to apply mathematical techniques for solving problems and help them to appreciate the depth of mathematical ideas that are useful in other areas. Students undergoing this course will make them serve as good teachers at the U:G level and will also prepare them for pursuing research in areas related to Mathematical Science.
